

EMZ415 PLUS 400 Series LCD / LED / Plasma Mount

The MZ series provides a strong, durable adjustable wall mounting solution for LCD TV's and monitors between 26" and 40". Extends to 710mm from the wall and folds to within 130mm. Ideal for mounting an LCD TV into the corner of a room.

Installation could not be simpler. Simply attach the arm section to the wall, mounting arms to the back of LCD and hook the two together. EMZ415 PLUS EMZ400 interface provides +/- 15° of tilt whilst allowing clearance for both power and scart cables. Adjustable mounting arms adjust to support VESA standards 200mm x 100mm, 200mm x 200mm and 400mm x 200mm. Also compatible with non VESA standard screens with mounting holes are between 60mm and 460mm horizontally and between 80mm and 335mm vertically. Wall bracket measures 130mm wide x 300mm high. Finished in silver.

Part Number: EMZ415 PLUS EMZ400

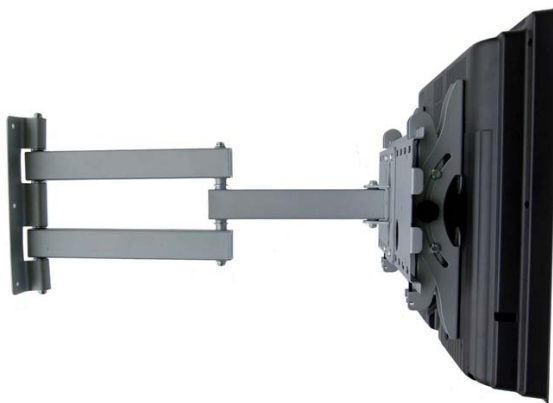

- Durable, cost effective, tiltable wall mount arm for Plasma / large LCD screens.
