

EZ Series Wall Mount CPU Holders

The ErgoMounts EZ series wall mount CPU holders are constructed from heavy duty aluminium and designed to wall mount CPUs.

The EZ series have multiple mounting capabilities and feature patent-pending adjustable clamp technology with neoprene padding that protects the CPU when the clamp is tightened. CPU units up to 20.4kg in weight can be accommodated, the narrow version adjusting to widths between 50mm (2") and 116mm (4.6") and the standard version adjusting to widths between 102mm (4") and 205mm (8.4").

- Durable, adjustable wall mount for CPUs.
- 2 sizes available to suit most tower and desktop style CPUs on the market.
- Simple installation.
- Easy clean exterior.
- Protects CPU from damage whilst on the floor.
- The narrow version mounts CPUs from 50mm (2") - 116mm (4.6") wide.
- The standard version mounts CPUs from 100mm (4") - 205mm (8.4") wide.
- Supplied ready assembled.
- Light grey, black or medical white finish.

Specifications

Width Adjustment: (small)	50mm - 116mm
Width Adjustment: (large)	100mm - 205mm
Tower and desktop CPUs	Yes
Colour:	Light grey, black or medical white
Max Load:	20kg
Product Warranty	1 Year

Part Number	Description
EMCPUFF-QG	EZ Series Wall Mount CPU Holder - Standard Width. Mounts CPUs from 100mm (4") - 205mm (8.4"). Light grey finish.
EMCPUSF-QG	EZ Series Wall Mount CPU Holder - Narrow Width. Mounts CPUs from 50mm (2") - 116mm (4.6"). Light grey finish.
EMCPUFF-TB	EZ Series Wall Mount CPU Holder - Standard Width. Mounts CPUs from 100mm (4") - 205mm (8.4"). Black finish.
EMCPUSF-TB	EZ Series Wall Mount CPU Holder - Narrow Width. Mounts CPUs from 50mm (2") - 116mm (4.6"). Black finish.
EMCPUFF-MW	EZ Series Wall Mount CPU Holder - Standard Width. Mounts CPUs from 100mm (4") - 205mm (8.4"). Medical white finish.
EMCPUSF-MW	EZ Series Wall Mount CPU Holder - Narrow Width. Mounts CPUs from 50mm (2") - 116mm (4.6"). Medical white finish.
