

Pro Series Back to Back Universal Plasma/LCD Ceiling Mount

The ErgoMounts Pro Series Universal plasma and large format LCD ceiling mounts are ideal solutions for today's commercial digital signage environments. Both plasmas and LCD screens can be suspended up to 3 metres from the ceiling. Poles can be simply cut to size. Screens can be independently tilted and jointly rotated around the ceiling pole. Cables can be routed up through the centre of the pole. Finish as standard in all black however chrome poles are available on request. An alternative 'I' beam (RSJ/Girder) clamp is also available in place of the ceiling.
