

Pro Series Plasma and LCD LED Ceiling Mounts

The ErgoMounts Pro Series LCD and Plasma ceiling mounts are a range of high grade solutions widely favoured within commercial installations.

Available to suit LCD, LED and plasma screens between 26" - 36" (MS1) and 37" to 61" (MS2) in size and up to 70kg in weight. Each component has been designed with an emphasis on safety and strength. Standard configurations are available in 1.0m, 2.0m and 3.0m drops, though alternative pole lengths are available on request. Additionally each pole can be simply cut to size without reducing strength or stability. The unique built in rotational device allows screens to be rotated a full 360° whilst the self stabilising tilt function also allows screens to be tilted up to 12°.

The perfect solution for commercial environments where aesthetics and safety are important.

- High quality, commercial grade ceiling mount for 37"-61" (MS2) and 24"-36" (MS1) Plasma large LCD screens.
- Cables route neatly through the pole.
- Unique built in 360° rotational device.
- Unique tilt glide provides 12° of downward tilt.
- Poles available in 1m, 2m and 3m drops as standard.
- Supports LCD, LED and plasma screens up to 70kg in weight, approximately 61" in size.
- Optional girder clamp can attach to ceiling beams in place of flat ceiling plate. Optional tilting ceiling plate also available.

Specifications

Arm Ext.:	0mm
Monitor Height Adjustment:	Dependant on pole
Tilt Adjustment:	-12°
Monitor Swivel:	+/-180°
Monitor Orientation:	Landscape
Colour:	Black
Touch Screen Stable:	Yes
Keyboard and Mouse Tray:	No
Max Monitor Weight:	70kg
Product Warranty:	1 Year

Part Number	Description
EMPRO-CM-MS1-C1	Pro Series 1 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 24"-36" panels, black.
EMPRO-CM-MS2-C1	Pro Series 1 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 37"-61" panels, black.
EMPRO-CM-MS1-C2	Pro Series 2 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 24"-36" panels, black.
EMPRO-CM-MS2-C2	Pro Series 2 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 37"-61" panels, black.
EMPRO-CM-MS1-C3	Pro Series 3 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 24"-36" panels, black.
EMPRO-CM-MS2-C3	Pro Series 3 metre drop, tilt and rotate LCD, LED Plasma ceiling mount, 37"-61" panels, black.

Alternative pole lengths available on request.

EMPRO-TCP	Tilttable ceiling plate, black finish.
------------------	--

EMPRO-ITC48C	Girder mount, adjusts between 101mm - 203mm (4"-8"), black.
---------------------	---

EMPRO-ITC1016C	Girder mount, adjusts between 254mm - 406mm (10"-16"), black.
-----------------------	---

EMVPFR-C	VisionPro series finishing ring for 50mm diameter poles, chrome.
EMVPFR-W	VisionPro series finishing ring for 50mm diameter poles, white.
EMVPFR-B	VisionPro series finishing ring for 50mm diameter poles, black.

EMCTM-MS1 - for displays 24"-36" with hole spacings up to 510mm wide x 360mm high .

Fits screens with VESA 100mm x 100mm, 200mm x 100mm and 400mmx200mm.

EMCTM-MS2 - for displays 37"-55" with hole spacings up to 800mm wide x 500mm high .

Fits screens with VESA 100mm x 100mm, 200mm x 100mm, 200mm x 200mm, 600 x 400mm and 800mm x 400mm.
