

# T2 T-REX SHORT REACH SERIES

The T2 T-Rex is the premier rigid arm LCD mount. This arm features full cable management from wall to monitor. The cables are completely hidden inside the unit, even at the joints, allowing full range of movement as if there are no wires connected. The T2 is 610mm long, and with the monitor tilted forward, has a maximum reach of 760mm. This monitor and keyboard arm is used extensively in medical and dental operatories.
