Ultra Series Keyboard Wall Track Mount

The Ultra series of mounting solutions for keyboards is a durable, high quality, articulating keyboard support arm. Available configurations include; compact non extended, single extended 280mm (11") arm or double extended, 2 x 280mm (11") arms providing up to 830mm of extension from the track. Keyboard configurations include; Ultra keyboard and mouse tray, Composite keyboard and Ultra 12" wide mini flat. The Ultra style flip-up system allows you to tilt the keyboard all the way back for convenient storage. Available with 480mm (19") Wall track providing 300mm of height adjustment.

Machined out of billet aluminium with a durable, long lasting powder coat finish, the mount can support keyboard weights up to 20.4kg. Cables are managed internally on the underside of extension arms. Unique Delrin bearing system provides smooth motion and longevity.

All keyboard mounting solutions are hand assembled and engineered to highest specifications to ensure product quality. This makes them ideal in medical (including dental) environments.

- Durable, high quality, adjustable mount for keyboards
- 830mm maximum reach. Folds to within 60mm of wall track.
- 300mm height adjustment on keyboard.
- Supplied with 480mm (19") Wall track mount.
- Medical grade.
- Can be cleaned with hospital grade cleaning solutions up to 10,000 parts bleach per 1,000,000.
- Supports keyboards up to 20.4kg.
- Optional extras include dedicated mouse pad and gel wrist rest.
- Alternative fitting options include; wall, desk, and pole mount.
