

Ultra Laptop Support Wall Mount Series

The Ultra series of mounting solutions for Laptops is a durable, high quality, articulating laptop support arm. Available configurations include compact non extended, single extended 280mm (11") arm or double extended, 2 x 280mm (11") arms providing up to 830mm of extension from the wall (to the front of laptop tray) and folds to within 60mm of wall.

Machined out of billet aluminium with a durable, long lasting powder coat finish, the mount can support laptop weights up to 20kg and measuring 330mm (13") wide by 280mm (11") deep. Cables are managed internally on the underside of extension arms. Unique Delrin bearing system provides smooth motion and longevity.

Ultra Laptop mounting solutions are hand assembled and engineered to highest specifications to ensure product quality. This makes them ideal in medical (including dental) environments.
