

Delta Series Universal LCD Plasma Trolley

The Delta Series Universal Plasma Multi-Media trolley is designed for Plasma and LCD screens up to 50" in size and 75kg in weight with either portrait or landscape mounting.

A heavy duty base (available in silver or graphite black finish) supports two 60mm chrome poles, on which the adaptor plate is mounted (using two collars). Four high quality, non-mark braked castors are used to allow for easy transportation making this unit ideal for use in boardroom presentations, colleges and schools or for display purposes; alternative feet are also available. Plasma / LCD can be mounted landscape or portrait.

- Durable, cost effective, mobile mount for Plasma / large LCD screens.
- Heavy Duty lockable castor base - silver or black finish.
- Plasma / LCD mounts at any height on 1670mm poles.
- EM804850 fits 99% of Plasma / LCD screens with mounting holes 280mm - 755mm horizontally x up to 410mm vertically and all 600mm x 400mm VESA compliant LCD monitors.
EM804507 fits VESA 200mm x 100mm and 200mm x 200mm.
- 1670mm high, 1000mm wide, 700mm deep.
- Optional multimedia accessory shelf available.
- VESA 800mm x 400mm interface also available.
- Supports Plasmas / LCDs up to 70kg.

* shown with optional multimedia shelf.
