ProView Universal Plasma Stands

The ErgoMounts ProView Series Plasma / Large format LCD stands are state of the art products, with a sweeping design - the M1 being capable of supporting most displays between 24" to 36" whilst the M2 supports most large displays between 37" to 55".

In both cases, a tilt adjustment of up to 12° allows for optimum viewing of the display. Lockable castors, magnetic cover packs to hide power cables, and metal or glass media shelf are optional extras.

Finish: black base with chrome poles.

- State of the art sweeping design, suitable for plasma/ large LCD screens between 24" and 55".
- M1 interface for displays up to 510mm wide x 360mm high (24" - 36"). Fits screens with VESA 75mm x 75mm, 100mm x 100mm, 200mm x 100mm, 200mm x 200mm and 400mm x 200mm.
